

# Fall 2020 FINAL EXAM STUDY PLAN

What is left to complete in each class? (list EVERYTHING here) (seriously, EVERYTHING). Then, determine how you will approach each task (get specific in how you will complete each task- add more space if needed).

Class	Items to complete

Add in any meetings/schedule/deadlines/finals here. THEN, determine WHEN you will complete the above tasks. (Place the steps from above into places on this calendar where you will be able to complete the activity in time for the class deadline). Then, follow your schedule! Adjust as needed.
